

NEWSPAPER BIN

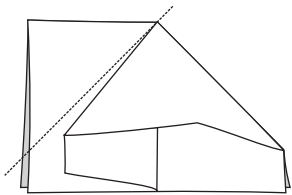

Newspaper

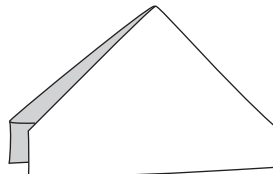

Take a full size newspaper. Fold the vertical mid-line.

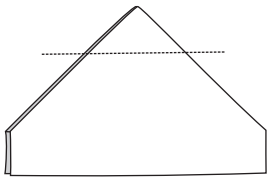

Fold top left to midline to make a triangle.

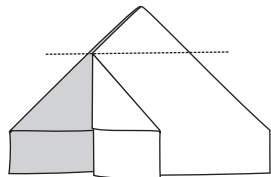

Open and flatten it to the left side.

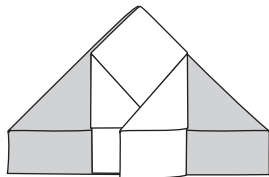

Repeat the same on the back side

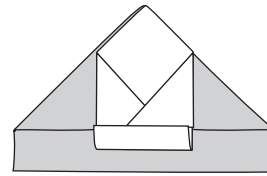

... to make a double house.

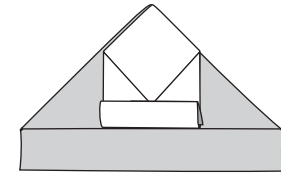

Fold the left end ...

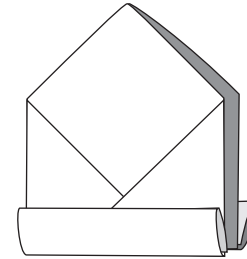

... and then right end to meet.

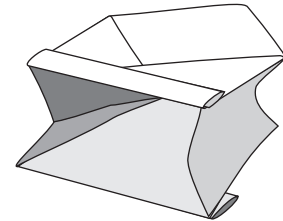

Fold bottom rectangle in half.

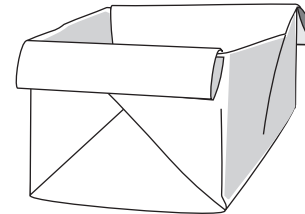

Double fold to lock.

Similarly fold and lock the back side.

Gently open and shape the bin.

Newspaper Bin is ready...

...to store sundry items.
